

SEPTEMBER NEWSLETTER

Outdoor Learning at Lee Royd Nursery School

We are delighted to announce the launch of our Outdoor Learning Programme, led by Miss Monika, our Forest School Leader. Every child will have the opportunity to take part in a dedicated outdoor learning session each week, giving them regular opportunities to explore, discover and learn through nature.

Outdoor learning helps children develop confidence, independence, resilience and a love of the natural world through hands-on experiences, play and exploration.

Campfire Storytelling

As we begin our outdoor learning journey, we would like to extend a huge thank you to Rough Lee Home for kindly allowing us to use their beautiful woodland area.

Before Easter, children will visit the woodland for special Campfire Storytelling Sessions, where they will enjoy stories, songs and nature-based activities in a magical outdoor setting.

From April onwards, our children preparing for school will take part in regular Forest School sessions in the woodland. These sessions will provide exciting opportunities to build confidence, teamwork, problem-solving skills and independence while developing a deeper connection with nature.

Ready for Every Adventure

We believe there is no such thing as bad weather, only unsuitable clothing! To help children get the most from their outdoor experiences, please ensure they come prepared for the weather with suitable outdoor clothing.

For wet and colder weather, children will need waterproofs, wellies, spare clothes, extra socks or tights, and hats and gloves. In warmer weather, lightweight long sleeves, long trousers and a sun hat help protect children while exploring.

Please ensure all clothing and footwear are clearly labelled with your child's name.

Thank you for supporting our outdoor learning journey. We are looking forward to many exciting adventures ahead!

Ms Monika Nagadowska
