Please Label clothing

Please ensure that all of your child's belongings are clearly labelled with their name. This helps us to identify items quickly and return them to the correct child should they become misplaced

Train Trips

We are delighted to be working with Community Rail Lancashire to offer a number of free train trips for small groups of up to 10 children and their parents per trip.

The trips will take place in November and places will need to be booked through Mrs Cunliffe in the school office. Booking will open nearer the time, and we will send out further information and details on how to reserve your place shortly.

We look forward to sharing this exciting opportunity with you and your child

Children's Flu Immunisation Offer

The NHS are coming into Nursery on Monday 19th Oct at 9am to offer Flu immunisations to our children. They need parents to fill out the consent form in order to do this and parents must stay with their children, to take them in to have it done.

Children's Safety

It is of upmost importance that all parents and carers close the gates as you come into and out of the Nursery grounds.

Healthy Packed Lunches

At Lee Royd Nursery School, we encourage healthy eating habits to support children's growth, development and learning. If your child brings a packed lunch, please provide a balanced meal that includes a variety of healthy foods such as sandwiches, fruit, vegetables, yoghurt or other nutritious snacks. More information will be sent home shortly.
